

## What Are People Saying About Tiffanie Z. Lyon?

*"Tiffanie has the best motivation speaking skills about sales, that you come out of her session thinking you can take on the world of sales! I went in wanting just some good tips on how to make my sales better and I came out with a full array of fantastic skills on cold calling and cross selling that I was not expecting. I highly recommend Tiffanie for anyone who is already in sales and anyone just starting. She makes the process easy and seamless." --- Banker/National Banking Group*

*"Tiffanie helped demystify the sales process for me. As a "techie," it was extremely helpful to have the sales cycle laid out in black-and-white and to learn specific techniques useful for each step. Highly recommended!"--- IT Consultant*

*"Thanks again for coming out and making us a better company! Your sales seminar for the 50 of us was very informative. I've heard a lot of comments and all were very positive. I think the contents were great but also you were the right fit for Acme! You had the ability to adapt to the audience and remain flexible, while keeping us on schedule. You have a lot of knowledge in sales and it was good to hear some different perspectives. You engaged the audience nicely, kept the flow moving and everyone seemed to leave inspired to sell!" ---- Vice President Sales Manager/National Accounts*

*"Tiffanie has solid presentation and facilitation skills. She made the learning effortless.. I was engaged all day and gained lots of understanding and valuable tools to deal with people. The bottom line is this seminar surpassed my expectation by a factor of 10!" – Director of Training/National Retail Chain*

*"....I felt my blood pressure go down just talking with you. I am happy to say I have implemented a couple of your helpful hints and know that soon I will be reaping the benefits of getting things under control"--- Inside Sales Rep*

*"....Tiffanie epitomizes the word "Sales" ...People respond well to her motivating demeanour, as well as her management style. She is of the utmost professionalism"--- Chamber of Commerce Director*

*"Thanks for the good, solid and realistic suggestions and advice. Tiffanie understands selling services."----- Attorney*

*"Tiffanie knows how to sell in today's market and how to teach someone else how to sell in their own way. I can't recommend her highly enough."---- HR Consultant*

*"Tiffanie Lyon's presentations on business development identified a systematic approach to business development that can and should be practiced by every lawyer, young and old."-
